Was It Another Record Salmon Season on lake "Oh" ?!

By Bill Hilts, Jr.

As we said last year, records were made to be broken. In 2018, the salmon fishing was unbelievable in Lake Ontario and it actually broke a catch rate record for the second year in a row! They didn't just break it, they shattered it – over 200 percent over the previous average since they've been keeping records (1985). We predicted that the action in 2019 should follow suit as the year class of naturally reproduced salmon in 2016 was one of the biggest ever. It looks like that prediction could have come true! While the results are not yet out on the lake's open lake creel census, the catch rate, at the very last, will be another great one.

As far as 2020 is concerned, it looks like another great year class coming out of the Salmon River as far as natural reproduction, which is good news for anglers. Look for another good fishing year.

The Town of Newfane, with one of the best one-two punches in Olcott and Burt Dam/Eighteenmile Creek on the lake, has arguably some of the best freshwater fishing on the planet! If you don't believe us, just look at the fact that Olcott was voted as the Ultimate Fishing Town in 2012 by the World Fishing Network. It was further cemented when the community reached out to help their friends in neighboring Orleans County – which ultimately recognized Point Breeze and the Oak for the 2013 UFT title. Whether it's salmon, trout, bass, pike or perch, there's some type of fishing activity that the whole family can enjoy in Newfane and Olcott! And, you can catch fish year-round in this agriculturally-rich, historically blessed community. Here are some excellent examples for arguing that point:

A Lock on the LOC … Derbies –

Last year (2019) brought excellent reviews again for salmon and trout fishing. The Niagara County waters, led by the popular port of Olcott, offered some great spring and summer salmon fishing when it came to the months of May, June, July and August in the lake. The fall run of fish at the mouth of 18 Mile Creek and off the piers started a bit later, but they came in respectable number starting in mid- to late-October.

The 2019 spring, summer and fall Lake Ontario Counties (LOC) Trout and Salmon derbies brought more than $130,000 to the table last year. In the 2019 Spring derby, more than 50 percent of all the winning salmon and trout came from Niagara County – again – with many of those prize-winners caught off Olcott. The first place lake trout and salmon came from Niagara and more than half of the winning salmon and lake trout came from these waters, too. In the LOC Summer Derby, Niagara collected first place in the salmon division (just one ounce behind the

Grand Prize winner) when Matt Dunn of Newfane weighed in a 29 pound, 9 ounce king. Niagara took one-two in the lake trout division and also second in the steelhead division when Tanner Niezgoda of Newfane caught his biggest steelhead out of Olcott.

In the Fall LOC Derby, Codey Allen of West Seneca caught the Grand Prize fishing out of Olcott with a 33 pound, 8 ounce king. The first place steelhead was another Olcott fish, when Nick Dougherty of Lockport weighed in a 15-pound, 6 ounce silver bullet. Three of the top 5 brown trout also came out of Niagara. Dates are set for 2020. The spring LOC Derby is set for May 8-17, 2019. If you need a boat slip, book early in Olcott through the Town of Newfane Marina at 716-778-5462. Check out www.loc.org for more information.

2019 Held Lots of Fun Fishing Events –

Newfane/Olcott was the host to many fun fishing and family events throughout the summer. The 35th Annual Skip Hartman Memorial Lake Ontario Pro-Am Salmon Team Tournament was held May 31 to June 1, 2019 last year. Some 50 teams competed in the challenging format with over $50,000 in cash and prizes. In the Classic Division, it was Matt LeClair of Plattsburgh and his Oh Baby/Irish Knots team. In the Amateur Open Division, it was Matt Dunn of Newfane and his Streaker team winning the top prize. Visit www.lakeontarioproam.net for other prize winners and rankings.

The 43rd Annual Greater Niagara Fish Odyssey Derby was held August 17-25, 2019. The weather was decent and the fish cooperated nicely for this local contest that focuses on kids and families. Kids are free to fish and compete for a ton of merchandise prizes. Some excellent catches came to the scales and in the end it was Paul Natiella of South Lima winning the $3,000 Grand Prize when he won the drawing among first place leaders at the awards ceremony. He weighed in a 36-plus pound carp for the Oak Orchard River to take that division and earn the right to be in the drawing. For more info log on to www.fishodyssey.net for details. Dates for 2020 are set for August 22-30, 2020 – the 44th Annual contest! And get those kids involved! It's free for them to compete and win some great prizes!!

Let's not forget about the special one-day event that gears teams up for the Pro-Am Tournament – the Don Johannes/Pete DeAngelo Memorial One-Day Three Fish/One Fish Contest that is held before the three-day Pro-Am (June 4 this year). This fun-filled contest allows teams to head out into the lake in pursuit of their three biggest fish for a total weight to determine who the winners are. There is also a prize for biggest fish overall. There really aren't any rules to abide by other than times

and that the fish must be caught legally. You don't even need to be fishing in the Pro-Am tournament. It's an opportunity to take advantage of the local fishery, win some cash prizes, raise some money for local charities or worthy causes and help remember two people who meant a lot to the local fishing scene. To find out more information, give The Boat Doctors a call at 778-5462. Entry fee is just $100 per boat.

Last but not least, there was the 4th annual Reelin' for a Cure ladies tournament, held August 16 out of Olcott and Wilson. Led by Stephanie Pierleoni of Newfane, this was a fun-filled event that raised funds for the Hope for Two group (a support group for pregnant women with cancer) and fight for cancer survivors. The contest itself saw lady teams trying to catch up to six fish for weigh in at Krull Park. They had a great time fishing, but many had just as good of a time at the park for food and drink afterward. After it was all said and done, a total of over $13,300 was raised and presented to Patty Murray with Hope for Two. The date is set for August 21, 2020 for the next Reelin' for a Cure contest and celebration. Like them on Facebook! There were 36 teams competing in 2019, up from 21 in 2018!

Net Pen Project Continues –

Spearheaded by the Lake Ontario Trout and Salmon Association, Olcott will once again host a net pen project for salmon and steelhead in 2020, the 13th year in a row for such a project. Large numbers of volunteers were involved to help rear roughly 65,000 salmon and 3,500 steelhead at the Town of Newfane Marina. Other groups involved were the Newfane Business Association, the Niagara County Fisheries Development Board and the Town of Newfane. County Legislator John Syracuse, The Slippery Sinker, the Niagara River Anglers Association and DEC all played a role in the success of the project.

Funds are now being supplied through the group's annual involvement with the Greater Niagara Fishing and Outdoor Expo (www.niagarafishingexpo.com) at the Conference and Event Center Niagara Falls set for Jan. 17-19, 2020. LOTSA runs a Salmon School as part of the three-day Expo (Jan. 18), helping to create a better awareness for the outdoor resources locally. For more information on LOTSA, check out www.lotsa1.org.

The success of the first 12 years of pen rearing was outstanding, both in the way of local support and in how the fish reacted to the 18 Mile Creek site. The fish grew big and healthy in a relatively short amount of time and the benefits are already being realized out on the lake. If you want to be part of this project, which will continue in 2020 and beyond, stop on down to the Town of Newfane

Marina and express an interest or contact the project coordinator (Capt. Alan Sauerland) through the website at www.lotsa1.org.

Updated Fishing Map and Hotline –

Want to know what's going on with the local fishing scene? Your first stop should be the Niagara County Fishing Hotline. The new number for the hotline is now (877) FALLS US. That's right, it's toll free! It's also on the net at www.niagarafallsusa.com. For other updates of the local fishing scene from April to October, check out www.olcottfishing.com. In addition to the fishing updates, the Great Lakes WNY Hotspot Fishing Map is now available. Stop in at local tackle shops or information centers (like the Olcott Caboose) and pick up a copy. Or, order one on line at www.niagarafallsusa.com or by calling (877) FALLS US. There is now an electronic version of the map at https://wnyfishing.mrf.com/view.aspx. A new Niagara Falls USA Outdoor Activities Guide is now available from Niagara Falls USA, as well. It has fishing information, as well as places for hiking, biking and birding.

Social Media, Niagara-Style!

Be sure to sign up on Facebook and Twitter at Niagara USA Fishing and Outdoors (Facebook) and NiagaraUSAFish (Twitter) to be kept up to date on things that are happening in the outdoor world in and around Niagara USA. There are also Facebook pages for the Niagara Fish Odyssey and The Outdoor Beat. The Outdoor Beat is a TV show that appears every Wednesday on Spectrum Cable (Channel 1303) in Niagara and Erie counties. If you don't have cable, don't fear! Simply log onto the website for www.lctv.net and watch it live at 4 p.m. on Wednesday or watch it on demand anytime on that same website. Fishing, hunting and the great outdoors are all covered on "the beat." You won't want to miss a show. Be sure to sign up for regular updates.

Free Outdoor Movie Night Summer Series 2020

What's better than summer for movie fans? Exciting block buster summer releases and the opportunity to see them outside?

How about watching them **outdoors under the stars on a warm summer night with family and friends for FREE!**

The Town of Newfane Tourism Board is partnering with The Olcott Beach Carousel Park to screen **free, family movies outdoors** at The Tom Kelley Rustic Theater!

The first annual Outdoor Movie Night series is the perfect way to make the most of those long, lovely, fleeting summer nights. The series will feature current movies that are appropriate and entertaining for family members of all ages, and that will give your family one more reason to love Olcott Beach!
Screenings will be held at sunset during the summer of 2020 on:

- **July 23 and 30**
- **August 20 and 27**

Park gates will open 30 minutes prior to show time and seating is limited so come early! Movie goers are encouraged to bring blankets or chairs and light weight jackets, because it cools down quickly lakeside when the sun goes down. Being warm and comfortable always improves the experience! And making sure you are equipped with bug spray and hand wipes is always a good idea! (While pets are part of the family, they should be left at home for their own safety.)
Admission is free and concession snacks and non-alcoholic beverages will be available for purchase, benefitting valuable local not for profits and community associations, including the: Olcott Lions Club, The Olcott Fire Company Ladies' Auxiliary, The Olcott Beach Community Association and The Olcott Beach Carousel Park Fundraising Committee. For movie titles, additional details and rain dates if needed, check online:

Cafe Service

Through Friendship,
Music & Conversation

The Café is a time to gather and discuss matters of the spirit over a nice cup of coffee.

A time to get together to look at spirituality without all the hubbub of church.

Wondering about things spiritual? We do too! Join us and we can explore this together!

"Coney Island" Ruth organ owned by Tom Billy of New Jersey

A Band Organ Rally presented by the Carousel Organ Association of America will be held in the town of Olcott (north of Lockport along the shore of Lake Ontario) on Saturday and Sunday July 25 & 26. Mechanical Organ Collectors from Canada to Florida are expected to bring over 40 instruments to participate in this sight and sound spectacular. Self-playing instruments from the United States and Europe with 20 organ pipes roughly the size of a bread box to huge trailer mounted Fairground Organs with over 400 pipes will be creating the Happiest Music on Earth for your listening pleasure!

One of the featured instruments will be the Coney Island Ruth Organ, obtained from Coney Island, New York by its present New Jersey owner. This organ was built over 100 years ago by Andreas Ruth & Sons of Waldkirch, in the Black Forest region of Germany. Playing mostly traditional German marches and waltzes, it is equivalent in sound to a 15-20 piece band.

The Band Organ Rally is a free event and is part of the annual Old Olcott Days weekend which will take place in Krull Park and throughout the town from 11:00 am to 5:00 pm both days. The band organ rally happens in Olcott once every three years - don't miss it. For further information contact Dan Wilke evenings at 716-825-7266.
