WATERFRONT FUN IN OLCOTT!

TOWN OF NEWFANE MARINA

Olcott Beach and Newfane have some of the best freshwater fishing in the state. Our fishery boasts salmon, steelhead, northern pike, large and smallmouth bass, along with perch and other varieties of panfish. Fishing is hot all year round. You can fish from the Federal Piers which extend into Lake Ontario, our Town-Owned Harbor 5834 West Main St, or hook-up with one of our world-class charter captains. Don't forget, the NYS record steelhead trout was caught from our waters. Upstream, Fisherman's Park at Burt Dam is another access point to our wonderful fishery. Thousands of anglers visit here each year, especially during the fall salmon and trout run. Fisherman's Park also provides a great place to enjoy the scenic walkway along 18-mile Creek while viewing many different varieties of bird species.

Newfane/Olcott: A Bucket List Fishing Destination

By Frank
Campbell

The Town of Newfane, with one of the best one-two punches in Olcott and Burt Dam/Eighteenmile Creek on the lake, has arguably some of the best freshwater fishing on the planet! If you don't believe us, just look at the fact that Olcott was voted as the Ultimate Fishing Town in 2012 by the World Fishing Network. It was further cemented when the community reached out to help their friends in neighboring Orleans County – which ultimately recognized Point Breeze and the Oak for the 2013 UFT title. Whether it's salmon, trout, bass, pike or perch, there's some type of fishing activity that the whole family can enjoy in Newfane and Olcott! And you can catch fish year-round in this agriculturally rich, historically blessed community. Here are some excellent examples for arguing that point:

Olcott's Fishing Opportunities Highlighted on In-Fisherman T.V.

The In-Fisherman T.V. crew visited Olcott to film a segment of the long standing popular show for the upcoming season. Captain Vince Pierleoni hosted publisher Todd Ceisner aboard the Thrillseeker for a morning of non-stop action on Lake Ontario. Ceisner remarked "I had the opportunity to spend a day on the water with the Thrillseeker Team and it didn't take long to realize why people travel from all over the country to enjoy the great sportfishing opportunities that the Olcott area of Lake Ontario has to offer". The show should air on the Outdoor Channel in the first quarter of 2024.

2023 Niagara County Pro-Am Tourney

The Lake Ontario Pro-Am Salmon and Trout Team Tournament, celebrating its 38th

year of competition, is the grandfather of fishing contests for the lake. This year the Pro-Am was held June 2-3 out of the ports of Olcott and Wilson. A total of 37 teams competed with 20 of those being entered in the Pro Division. Team Vision Quest captained by Pete Alex edged out Wet Net and Screamer to capture the coveted trophy for the Pro's while Knot Farming took home top honors on the amateur side of the tournament. Mark your calendars for May 31 and June 1, 2024 for a chance to compete against the best fishing teams Lake Ontario has to offer.

No boat, No Problem

Burt dam is known throughout the fishing world as one of the best places to target trout and salmon as they return to the 18-mile creek to spawn and feed. Using a variety of methods, anglers pursue king salmon, coho salmon, brown trout, and steelhead starting in the fall. Brown trout and steelhead will remain through the winter months and into the spring. Best spot to access the Burt Dam area is Fisherman's Park on Route 78 where you will find ample parking and even a ride down to the creek (and back up) after a day of casting a line.

Looking to lose some of the crowd? Try the recently improved Olcott piers or even the Town of Newfane Marina itself as you can cast and try to intercept the salmonids on their way upstream to the Burt Dam. One of the best things about the pier and harbor areas is the fishing is good through all the seasons with warm or cool water species such as pike, bass, and perch available when looking to wet a line during the warmer months. If you ever want to find out what's biting, stop into any of the local tackle shops, call the Niagara County Fishing Hotline at 716-282-8992 Ext. 4, or visit the tourism office website at www.niagarafallsusa.com and look under the sportfishing page.

KRULL PARK

Krull Park, located at 6108 Lake Road in Olcott, was established in 1937 and covers more than 325 acres. Used year-round, the park includes two softball diamonds, soccer and lacrosse fields, basketball courts, horseshoe pits, two playgrounds, tennis courts, a splash park, and four exercise stations. During the winter months the park offers two large ice skating rinks that are well maintained. There is a small warming house with picnic tables and restrooms.

Visitors are permitted to bring picnic-style lunches. No equipment is provided for any on-site activities. Ice skating rink conditions are recorded daily, and can be accessed by calling (716) 778-7711. The park road is kept free of snow in the winter to allow residents to take a leisurely stroll or walk pets.

Reservations can be made online beginning March 1st at 12:01 am. Reservations can also be made in person at 59 Park Avenue, Lockport NY. Office hours are Monday - Friday, 8:30 a.m. - 4:00 p.m. Reservations cannot be taken over the phone.

All shelters have charcoal grills available for use. Visit website for cost and availability.

Ye Olde Log Cabin

Ye Olde Log Cabin is a replica built by the Town of Newfane of the original Log Cabin located in the TenBrook's Pinegrove (now known as Krull Park). The original log cabin was dedicated in 1888 by the Niagara County Pioneer Association as a location for safekeeping of relics that had been donated to the association. Ye Olde Log Cabin was the location for the annual Pioneer Picnic and also served as the backdrop for a speech given by then NYS Governor Teddy Roosevelt in 1899!

The town of Newfane rebuilt the cabin with Niagara Greenway grants along with private donations in 2016. The new Log Cabin serves as a free historical museum housing many original relics as well as many other historical Olcott Beach items. The museum is operated by volunteers and is open on weekends in June, July, & August as well as the first Sunday in December for Santa's visit!
