New Business:

The TextMyGov Emergency Alert System will be going live on Tuesday, January 14, 2025. We have posted this information on our Town Website & Facebook for the public to see, along with flyers at all office windows in Town Hall to be handed out. E-mails were sent out to employees. People will be receiving an initial text message, and they can OPT-IN or OPT-OUT. And if they don't receive an initial text they can text NEWFANE to "91896" to opt in. This program will come in handy as we can zone in on certain areas when problems arise. EX: water main breaks, road closure, tree down, etc.

The Town Community Days to be set for Saturday August 23rd & Sunday the 24th. Sue Neidlinger wants to verify with Rodney about Saturday night music. And then the Town would get a band for Sunday as the talk was to tie in the Sunday race that Luke Adinolfi orchestrates. They really want to make it a 2-day event and more family oriented with Saturday and Sunday activities. They will verify dates for the 2 days. They are looking for someone to be Parade Chairperson to take over the Parade for this year, so they are keeping it off the agenda until someone steps up. The consensus is that the Newfane Little League football is on Saturday and many people are tied up for that, so the attendance on the normal Saturday activity is down. The Town wants to make it a family affair, thus the idea of 2 days of events. In preparation for a parade, there was discussion about where funds can come from for bands that would come. It's been hard in the past to get the band's here. The Supervisor mentioned that there are Niagara County Community Enhancement funds which Casino Revenues aid, and that the Town has received in the past. These come from the Niagara County Legislature. Michelle and Roger Phillips were huge helpers with the Parade this past Bicentennial year. The idea of a possible "Parade Chairperson" ad be put on the Town Facebook and Tourism Pages. Someone may be interested. This all needs to start soon. It was mentioned that the Tourism Book date for the August Community Days will be missing the Sunday date but there will be enough publicity to inform people by summer.

The Supervisor Informed the Board that:

- He is working on a Grigg-Lewis Foundation grant for the Newfane Dog Park.
- Lifeguards for the Beach will be contacted soon.
- A meeting with the school for the summer Rec Program is being set up soon. They are still

working on a date.

- The Community Room is busy and booked for usage for Non-Profit groups only.

Public Comments: Larry Dormer: Exchange St commented to Rick Coleman of his appreciation for the Ditching Committee doing a great job. He has also heard from others about the great job that is being done!

There was a motion to adjourn made by Pete Robison and seconded by Rick Coleman. All were in favor and motion passed.

The Student from the Wilson Central School District received signatures from the Town Board members at the conclusion of the meeting.

Meeting adjourned at 7:26pm.

Respectfully submitted,

Mary L Zeller
